Amendment of Section 73.202(b))
 Table of Assignments)
 FM Broadcast Stations)
 (Dell Rapids, South Dakota))

RM- _____

RECEIVED

To: Chief, Allocations Branch

OCT 20 1994

PETITION FOR RULE MAKING

POLICY & RULES DIVISION

Conway Broadcasting ("Conway") hereby respectfully submits the instant Petition for Rule Making to amend the Commission's FM Table of Allotments to add Channel 239C3 at Dell Rapids, South Dakota as its first FM allotment. In support whereof, the following is shown:

1. Conway Broadcasting is in the business of building and operating radio stations and desires to provide a first local service to Dell Rapids and the surrounding area.
2. As demonstrated in the Engineering Exhibit attached hereto, the instant Petition proposal is in full compliance with the FCC rules at 47 CFR 73.207 and the proposed allocation can be made without affecting the allocation of any other station. There are no other FM stations allocated to Dell Rapids.
3. Dell Rapids, South Dakota is an incorporated town with its own municipal services, post office (ZIP Code 57022) and other amenities which define a "community" for allocation purposes. It has a 1990 census population of 2,484. Dell Rapids qualifies as a community for allocation purposes.
4. The proposed reference point is 43° 46' 00"N - 96° 48' 00"W. This reference point is in full compliance with 47 CFR 73.207 and other requirements.

MJB

5. Since the proposed allocation would provide Dell Rapids its first local service, and contribute to the fair and efficient distribution of FM allocations, the instant proposal would be in the public interest. Conway will immediately file the required FCC form 301 for authority to construct the Channel 239C3 facility upon grant of this Petition.

WHEREFORE, the foregoing considered, Conway respectfully requests that the Commission GRANT the instant petition, and AMEND the FM Table of Allotments as shown below.

<u>Community</u>	<u>Present</u>	<u>Proposed</u>
Dell Rapids, SD	----	239C3

Respectfully submitted,

Conway Broadcasting

The information contained herein is true and correct to the best of my knowledge, information, and belief, and the intent of submission is to establish the new local FM broadcast service as outlined in the Petition.

**ENGINEERING EXHIBIT FOR
CONWAY BROADCASTING
DELL RAPIDS, SOUTH DAKOTA**

This engineering exhibit was prepared in support of a Petition for Rulemaking being filed by Conway Broadcasting ("Conway") to amend 47 CFR 73.202(b) as follows:

Presently, Dell Rapids, South Dakota has no local broadcast service. Conway proposes that channel 239C3 allocated to Dell Rapids as its first local broadcast service. Conway will file FCC form 301 reflecting this change as soon as the allocation is modified.

The proposed channel allocation can be made in full compliance with FCC rules from a reference point approximately 9 kilometers southwest of Dell Rapids. The NAD 27 geographic coordinates of this point are:

43° 46' 00"N - 96°48' 00"W

The attached tabulation illustrates the spacing situation for the 239C3 allocation at Dell Rapids, showing full compliance with the relevant provisions of 47 CFR 73.207.

<u>Community of Licensee</u>	<u>Present</u>	<u>Proposed</u>
Dell Rapids, South Dakota	---	239C3

It is respectfully submitted that the allotment of channel 239C3 as outlined herein is in the public interest and will result in a fair and efficient distribution of allocations, provide Dell Rapids, South Dakota and the surrounding area with its first local broadcast service, thus expanding broadcast service to the public.

This engineering exhibit was prepared by me and is true and correct to the best of my knowledge and belief.
